

G20

## Young Entrepreneur Summit

June 20 - 22, Toronto, Canada

### **About G20 Young Entrepreneur Summit**

The Canadian Youth Business Foundation (CYBF) will host the G20 Young Entrepreneur Summit (G20 YES) in Toronto, Canada, from June 20 to 22. The G20 YES will bring together more than 200 young entrepreneurs (aged 18 to 40) and leaders of entrepreneurial organizations from G20 countries to exchange ideas and establish international networks and partnerships that will help drive sustainable global economic growth. The discussion points from the G20 YES will be drafted into a communiqué that will be officially handed over to the G20 Business Summit (B20) for deliberation.

The G20 YES has been recognized by the Canadian federal government as part of the G20 consultative process and its recommendations are planned to be the focus for a discussion of entrepreneurship at the B20 Summit on June 25 and 26, 2010.

The G20 YES builds on the success of the inaugural G8 Young Business Summit held in Stresa, Italy in 2009, where CYBF represented Canada. The intention is to establish the G20 YES as an annual event that will be held in conjunction with the G20 Leaders Summit.
